

**Tri-Cities Opera** is a non-profit organization whose charitable mission is to **Benefit, Enrich, and Educate the Southern Tier Community** through the production of professional quality opera. We also reach as many as **20,000 students** each year with live performances in their schools through our Opera-Go-Round educational outreach program.

**THE TRI-CITIES OPERA GUILD** is the volunteer arm of **your opera company**. Like many non-profit theatre-producing companies, less than 30% of the cost of a production is paid for by ticket sales. By drawing on a brigade of **creative, excited and engaged volunteers**, Tri-Cities Opera is able to keep costs down, raise funds and enrich not only our community, but the experiences of the artists who rest their heads in the Tri-Cities area for a production, a season or beyond.

**Volunteering** is also a fun way to get a glimpse “behind the curtain”, help build community connections and enjoy the fruits of your labors when the curtain rises.

We need volunteers in several facets of our organization:
