

January 2017

Greetings,

Tri-Cities Opera is a non-profit organization whose charitable mission is to **benefit, enrich, and educate** our community. With classic, innovative, intimate, and imaginative productions both at the Forum Theatre and in our black-box theatre, Savoca Hibbitt Hall on Clinton Street, we are continuing to offer **OPERA for EVERYONE!**

On March 25, 2017, Tri-Cities Opera will hold a gala fundraiser to announce our 2017-2018 season. An enjoyable evening of inspired cuisine, live entertainment, a silent auction and an appearance by a VIP mystery guest awaits our attendees at this one-of-a-kind event.

As you decide on your charitable donations for 2017, we hope you will consider a donation of **goods, services or gift cards** to be used in the Silent Auction portion of the **2017-2018 Preview Gala**. Enclosed is a form to include details of your contribution to ensure we accurately acknowledge your generosity.

Our patrons will pass through the silent auction and see your commitment to the vibrancy of the arts in this community. In recognition of your contribution, your name or company's name will be listed in literature at the event. All donors will be publicly thanked and some items will also receive digital marketing attention via facebook and our email newsletter.

We thank you in advance and hope you will partake in this wonderful event allowing us to continue creating entertaining and engaging musical art right here in the Southern Tier.

Best regards,

John Rozzoni
Director of Community Engagement
