# OUR COMMITMENT

For 75 years, Tri-Cities Opera has been a cornerstone of artistic excellence in Broome County, as the only full-scale, professional, theatrical production company creating captivating musical and theatrical experiences in the Southern Tier of NY.

From pioneering innovations like MIRANDA, the first live virtual reality opera, to productions highlighting the Veterans experience, TCO has consistently evolved to captivate and inspire an expanding audience.

As we celebrate our Diamond Anniversary, we are excited to present a vibrant and diverse season of productions that underscore our commitment to making opera accessible and engaging for all!

# EVENT OVERVIEW

We look forward to celebrating our 75th Anniversary in style with a special one-night-only event at the Binghamton Club. The event will feature an award presentation and dinner with select performances by our Resident Artists as well as special guest artists. Immediately following, we'll kick off an after party with drinks, dancing, and fun for all! This special event is critical for our organization's financial and community goals, and will provide the opportunity to engage current and new fans to celebrate opera and the 75 year legacy of TCO.

## EVENT DETAILS

The Binghamton Club, located at 83 Front Street, is an ideal venue with its grand ballroom and dazzling chandeliers. Through the generous sponsorship of IBM & Visions Federal Credit Union, we will be welcoming the community to celebrate "75" with us on November 8, 2025.
